VIBIA CAMPANA

This family has a classic but contemporary look with its slightly rounded body, still subtle and perfectly suited to voluptuous and outgoing plants.

Made with a rough, high-quality texture, available in soothing, natural tones that fit perfectly with the natural vibe of nowadays gardens.

for whom?

A big target audience with a classic garden style / taste
They like to renew their pottery every season.
For those who look for more natural looking qualitative pots for an accessible price.
Perfectly fitting the old Torino style group.

VIBIA CAMPANA SQUARE
